## Intrusive Event

- Archaeological Intervention
  - Auger Survey
  - Borehole Survey
  - Evaluation
    - Test Pit
    - Trial Trench
    - Underwater Evaluation
  - Excavation
    - Box Trenching
    - Open Area Excavation
    - Rescue Excavation
    - Research Excavation
    - Strip Map And Sample
    - Underwater Excavation
  - Field Observation (monitoring)
  - Grab Sampling
  - Metal Detecting Use
  - Salvage Recording
  - Watching Brief
- Environmental Intervention
  - Auger Survey
  - Borehole Survey
  - Dendrochronological Survey
  - Environmental Sampling
    - Archaeomagnetic Sampling
    - Core Sampling
      - Gravity Core
      - Vibro Core
    - Monolith Sampling
  - Geochemical Survey
    - Phosphate Survey
    - X Ray Fluorescence Survey
  - Timber Sampling
- Non Archaeological Intervention
  - Auger Survey
  - Borehole Survey
  - Casual Observation
  - Geotechnical Survey
    - Geotechnical Test Pit
  - Metal Detecting Use

## Non Intrusive Event

- Assessment And Analysis
  - Aerial Photograph Interpretation
  - Airborne Laser Scanning Survey
  - Automated Object Detection
  - Building Fabric Analysis
  - Condition Survey
  - Conservation Area Appraisal
  - Desk Based Assessment
  - Documentary Research
  - Environmental Impact Assessment
  - Heritage Assessment
  - Historic Area Assessment

## Non Intrusive Event (continued)

- Historic Landscape Characterisation
- Historic Seascape Characterisation
- Historic Urban Characterisation
- Landscape Survey
- Management Survey
- Post Excavation Assessment
- Thematic Survey
- Observation
  - Antiquarian Observation
  - Diver Inspection
  - Field Observation (visual Assessment)
  - Field Visit
- Remote Sensing
  - Aerial Reconnaissance
    - Aerial Photography
      - Conventional Aerial Photography
      - Multi Spectral Aerial Photography
      - Infrared Aerial Photography
      - Infrared Line Scan Aerial Photography
      - Infrared Thermography Survey
    - Airborne Laser Scanning (Lidar) Survey
  - Satellite Imaging
  - Terrain Mapping From Aerial Photography
  - Underwater Remote Operated Vehicle Survey
- Survey
  - Aerial Investigation And Mapping
  - Airborne Laser Scanning Interpretation
  - Analytical Earthwork Survey
  - Arborglyph Survey
  - Architectural Survey
  - Bosing Survey
  - Buildings Recording And Investigation
    - Buildings Investigation (England)
      - Analytical Buildings Record (level 3)
        - Comprehensive Analytical Buildings Record Level 4
      - Descriptive Buildings Record (level 2)
      - Visual Buildings Record (level 1)
    - Buildings Investigation (scotland)
      - Basic Building Survey (level 1)
      - Buildings Appraisal
      - Comprehensive Building Survey (level 4)
      - Detailed Building Survey (level 3)
      - Enhanced Building Survey (level 2)
  - Building Survey
  - Dowsing Survey
  - Field Survey
  - Fieldwalking Survey
    - Systematic Fieldwalking Survey
    - Unsystematic Fieldwalking Survey
  - Geomorphological Survey
  - Geophysical Survey
    - 3d Seismic Survey
    - Acoustic Ground Discriminating System

## Non Intrusive Event (continued)

- Survey (continued)
  - Geophysical Survey (continued)
    - Earth Resistance (resistivity) Survey
    - Electrical Resistivity Tomography
    - Electromagnetic Survey
    - Ground Penetrating Radar Survey
    - Magnetic Susceptibility Survey
    - Magnetometry Survey
    - Microgravity Survey
    - Seismic Survey
    - Sonar Survey
      - Bathymetric Survey
      - Multi Beam Echo Sounder Survey
      - Side Scan Sonar Survey
      - Single Beam Echo Sounder Survey
      - Sub Bottom Profiling Survey
  - Graveyard Survey
  - Hedgerow Survey
  - Laser Scanning Survey
  - Measured Survey
  - Metal Detecting Survey
  - Photographic Recording
  - Photographic Survey
    - Photogrammetric Survey
    - Rectified Photographic Survey
  - Topographic Survey
  - Underwater Survey
  - Walkover Survey
